CLIENT AND STAFF CORNER

Written by one of our clients- Karriganne Keneda, February, 27, 2020

"The Nurturing Center is a great place. Any new mom could benefit from the informational parenting classes. The classes are one on one with an instructor. All of the staff is caring and supportive. Points are earned for each class to choose things from the Baby Closet. I have learned many things from the parenting classes that I have taken and I would recommend them to everyone that is expecting a child. I have gotten several great things new and gently used with the points that I have earned from taking classes at the Nurturing Center."

Faith, Hope and Love - 1st Corinthians 13:13

-Written by our staff, April 8, 2020

Relationships are important to every human person. During a time of fear and uncertainty, we are all called to a deeper **faith, hope, and love** with the people in our lives and community. We are blessed to have the Nurturing Center because it give us an opportunity to bring all of God's people together. We believe we are in the front lines of taking care of people's basic needs of **faith, hope and love** on top of things like diapers, wipes and many more baby items. We are grateful to be a part of this wonderful ministry, which can make a big difference in your life and mine. So, from our heart to yours, **"Thank You"** for everything you do for the Nurturing Center!

ROE V. WADE MASS

by Marissa Munoz

Every year the Nurturing Center holds our annual Roe V. Wade memorial Mass. January 22nd is the date of the Roe V. Wade Supreme Court decision that permitted abortion throughout pregnancy. We as individuals are called to observe this day through prayer.

We are very grateful to San Ramon Catholic Church for hosting this year's Mass presided by Father Peter. We also want to thank everyone who attended this special memorial celebration. May God bless you for continually supporting the Pro-Life ministry.

MISSION:

We are committed to defending the dignity of all human life, especially the unborn. We have a mission to erase abortion by providing women in crisis pregnancy with compassionate loving support and practical assistance, and to educate and equip the youth to embrace the virtues of chastity, modesty, and purity.

THEOLOGY OF THE BODY RETREATS

Please help us to reach our youth and guide them in this graceful journey towards authentic love and freedom!
